

American Truck and Rail Audits, Inc.

January 2016 Brain Teaser

Three types of shipments are going to a factory.

Each has a different driver with a different product.

Look at the hints to determine who is driving what type of shipment.

Answers

		Driver			Product Type		
		Niki	Kelly	John	Plastics	Metals	Chemicals
Shipment Type	Dry Van	X	O	X	X	O	X
	LTL Pup	O	X	X	X	X	O
	Flatbed	X	X	O	O	X	X
Product Type	Plastics	X	X	O			
	Metals	X	O	X			
	Chemicals	O	X	X			

HINTS:

1. The Dry Van is carrying metals, but is not driven by John
2. The Flatbed vehicle was not carrying chemicals
3. The LTL Pup load was driven by Niki
4. As you use the hints, fill in the chart by writing in an "X" for no options and an "O" for yes options.
